

Contractors and Suppliers Wanted!

UPCOMING BID OPPORTUNITIES RCTC SR-91 Corridor Improvement Project

Request for Qualified Subcontractors, Suppliers and Certified DBEs

Atkinson/Walsh, a Joint Venture formed to design and build Riverside County Transportation Commission's SR-91 Corridor Improvement Project, is interested in soliciting in good faith all subcontractors, suppliers and certified DBE companies for this project. Construction is expected to start in summer 2014 and continue to 2017.

The project through Corona, CA will add regular lanes, tolled express lanes, auxiliary lanes and direct express lane connectors from the northbound 15 to the westbound 91 and from the eastbound 91 to the southbound 15. Improvements to interchanges, ramps and surface streets also will be made along the 91 corridor.

Bid opportunities include, but are not limited to:

- Bridge Joint Seal
- Bridge Joint Seal Assembly
- Concrete Barrier
- Drill and Bond Dowel
- Fuel Suppliers
- Latex Deck Overlay
- Miscellaneous Metals (Bridges: Deck Drains, Cable Restainers)
- Miscellaneous Iron & Steel (Drainage: Frames & Gates)
- Overhead Sign Structures
- Painting (Caltrans Specs/Anti Graffiti)
- Permanent Signs
- Pipe Boring (Jack & Bore)
- Precast Girders
- Rental Equipment
- Waterproofing Coatings

100% Performance and Payment Bonds will be required for subcontractors greater than \$100,000. Atkinson/Walsh will work to mitigate barriers to DBE participation for this project such as bonding and insurance capacity.
